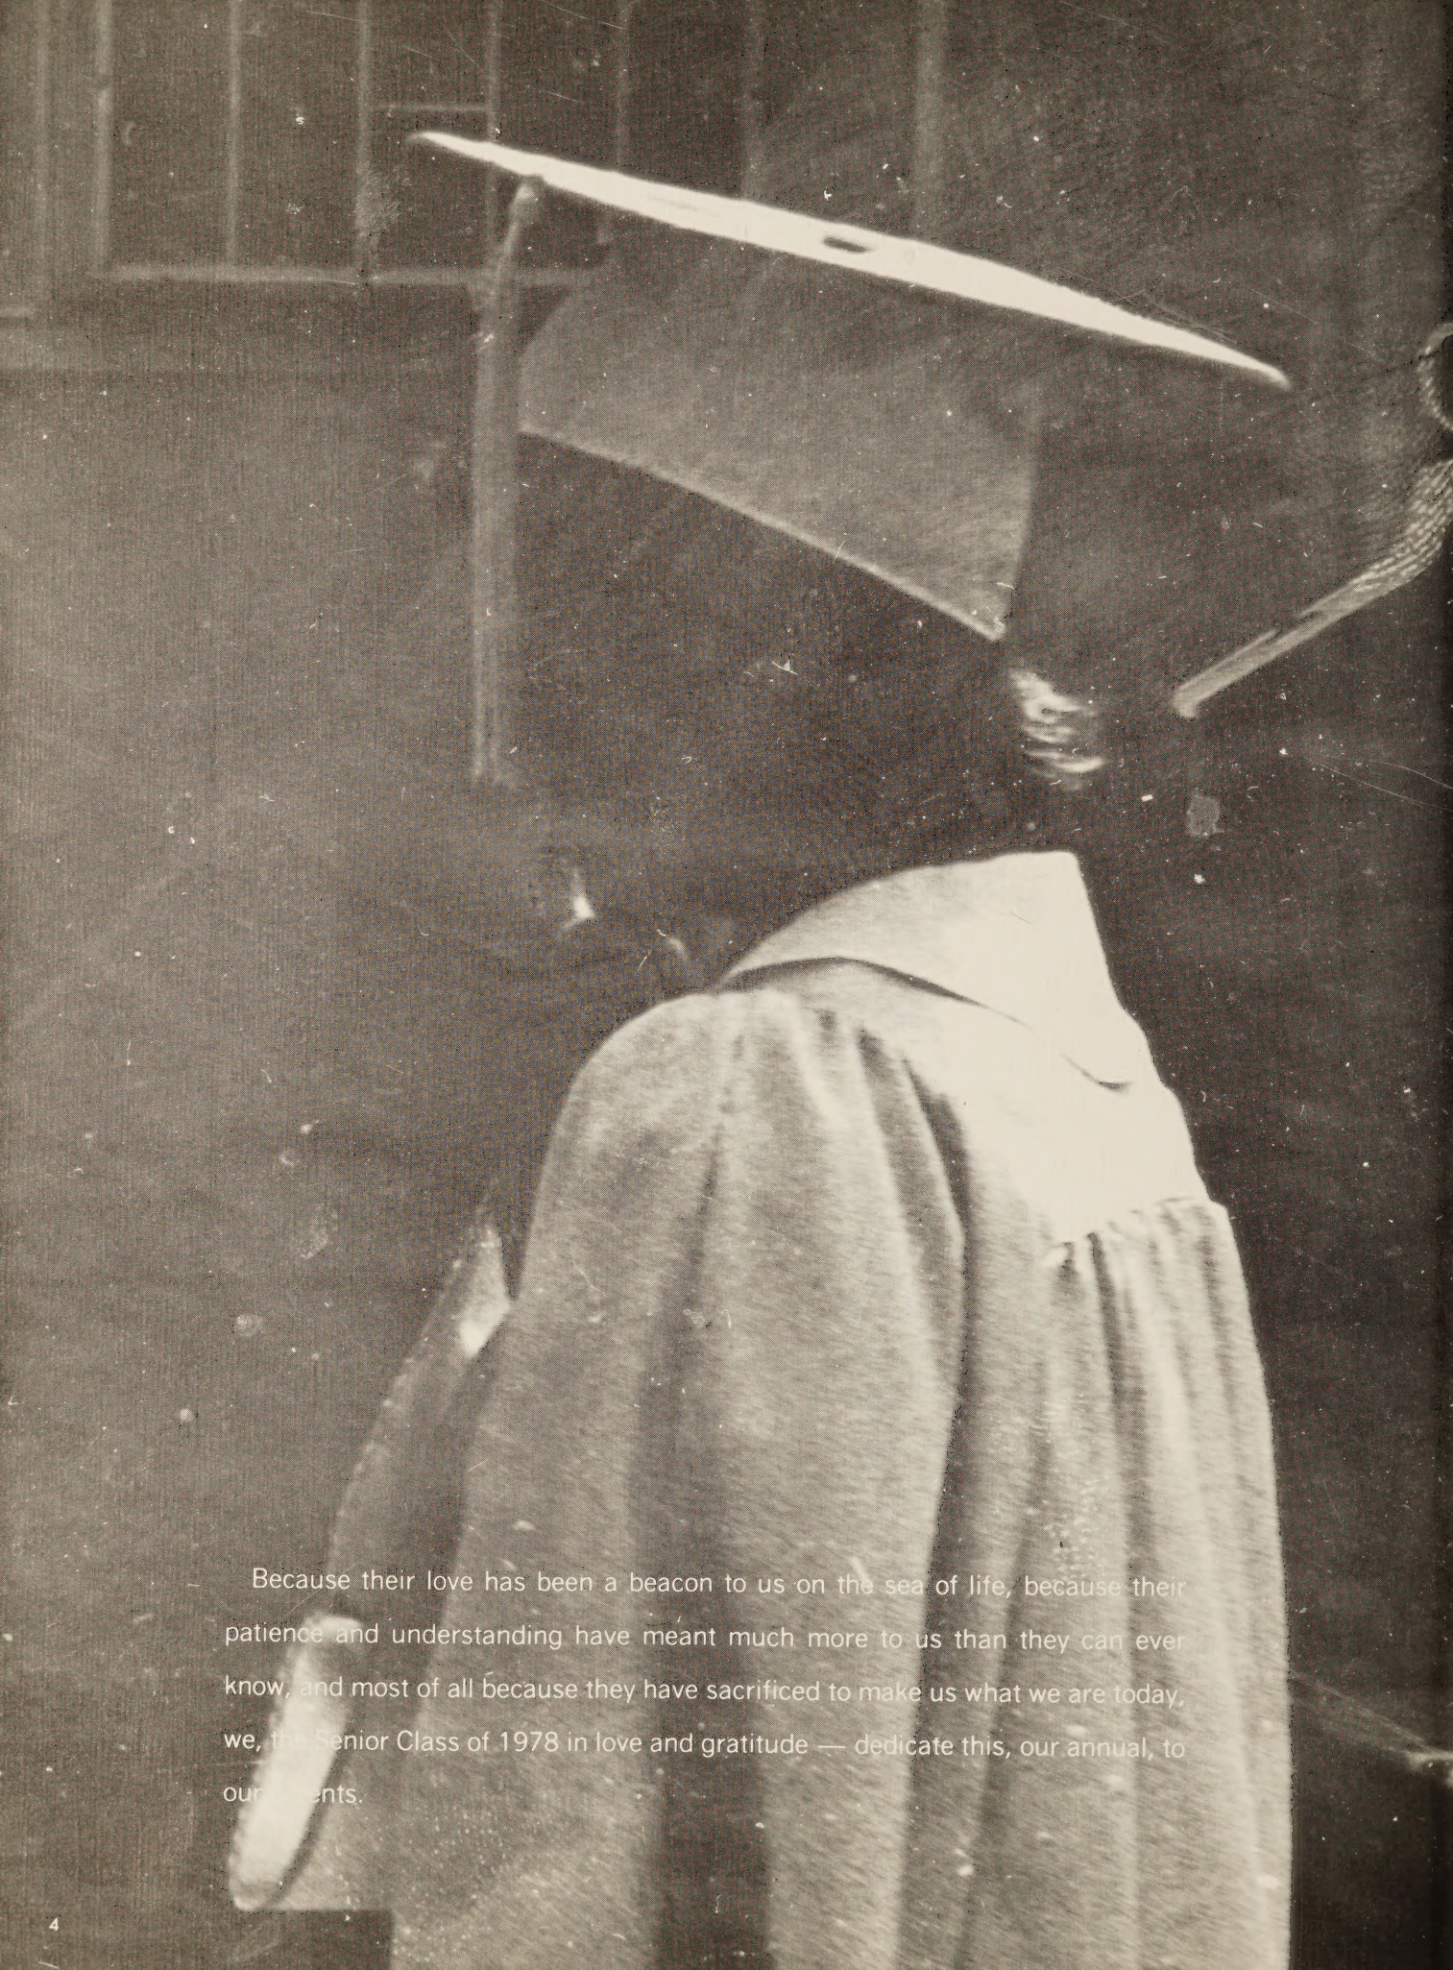
Each of us follows
A trail through life.
Today, some of the
Path lies behind us
And some of it,
Perhaps the most
Is in front of us.
The trails we follow
Are as different as
We are. Some are
More difficult. But each
Trail is important to
Its seeker. We are
Not alone on the trails
Of life, even though at
Times it seems we are.
If we get lost,
There is always someone
Around to guide
Us back to the
Right Path. Don't
Give up on the Trail
Of Life for just when
It seems hardest to
Follow, we find we have
Reached the end
And all our dreams
Have come true.



Because their love has been a beacon to us on the sea of life, because their patience and understanding have meant much more to us than they can ever know, and most of all because they have sacrificed to make us what we are today, we, the Senior Class of 1978 in love and gratitude — dedicate this, our annual, to our parents.

SCA

The SCA started the year by organizing Homecoming. The theme was Color My World. The parade went off well with the Junior class winning the float contest, and the Homecoming Dance was also a success. During the latter part of football season the SCA members sold buttons and pendants. We also showed several short movies during activity period that were quiet popular. The SCA sponsored a Spring Dance also.

Again this year, we organized the intramural basketball program and for the second year in a row the Senior class or the Class of 1978 ran away with it. The SCA ended the year by holding elections for SCA offices. Tim Kelly was elected President. Good Luck Tim.

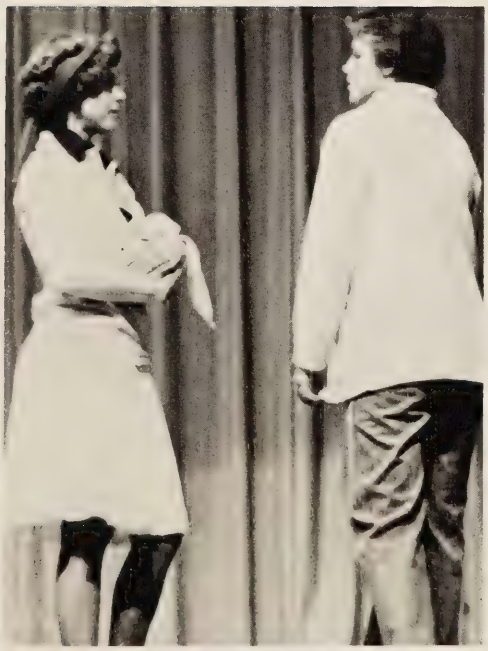
Speech Club

The Speech Club had a very successful year this year. We learned to do different types of speeches, how to do pantomimes, and how to read dramatically. This year for the Speech Club Assembly Program, we did the "Carol Burnette Show" with Chloe Cawood portraying Carol. Also included in the play were scenes from "As the Stomach Turns," Mr. Bones and Miss Jones, Malvilio the Magnificent, the Fig Newtons, and Monster Mash. We would like to thank Mrs. Lewis for her time and effort in making the Speech Club successful.



"Your're married? Wonderful! What's his name? You don't know? Oh Well"

"Ooey, Gooey, and Chewy Fig, Let's do our little dance." says Professor Newton.

FBLA

The school year 1977-1978 has been a very active and successful year for the Future Business Leaders of America. In July some of the upcoming officers spent several days at the Summer Leadership Conference in Massinetta, VA. Here they attended workshops and participated in skits. In September, Kit and Kaboodles were sold by the members. Plaques, Christmas gifts and other items were sold to raise money for the club.

On October 8, the officers attended the fall planning meeting held at Clinch Valley College. Workshops were held for parliamentary procedure and FBLA scrapbook.

On November 2, Eleven FBLA members and two advisors left school to attend the Southern Regional Conference in Little Rock, Arkansas. Also during the month of November, several members formed a Thanksgiving Pie Special Committee. They provided pies and other sweets for the teacher's lounges.

During December, the FBLA entered a float in the Big Stone Gap Christmas Parade. They also had a Christmas party for its members in the school cafeteria. Refreshments and disco music were provided.

On March 11, the FBLA Spring Conference was held at Clinch Valley College. Several members participated in contests. Jeannie White, Louise Donaldson, Mary Gay Fletcher, Cindy Bobrosky, Linda Deary and Joi Frazier, Lola Williams, Debbie Seals, and Tammy Bishop placed in the competition.

The FBLA members attending the conference performed a skit for the other FBLA clubs in the region. They presented the wrong aspects of the way students should act in business classes and a movie scene.

On March 18, a Rock-a-Thon was held to raise money for the March of Dimes. Rocking chairs lined up in the hallway near the gymnasium and rocked for five hours.

On April 14, fourteen members and two advisors went to the State FBLA conference in Richmond, Va. where Jeannie White and Tom Delp competed in the contests. Tom Delp won third place in his event. Awards were also presented to the Powell Valley FBLA Chapter. It was recognized as an Honor Chapter and was nominated for Gold Seal Chapter. A Certificate of Appreciation for the work with the March of Dimes was awarded. A plaque was awarded for being the Chapter that contributed the most money to the March of Dimes.

On Saturday, May 20, the FBLA members and advisors went to Gatlinburg for the end of the year social. Half the day was spent at Silver Dollar City and the other half at Gatlinburg. We had a very successful year and hope to have a better one next year.

OFFICERS: **Seated:** Debbie Seals, President; Cindy Bobrosky, Vice-President. **Standing:** Debbie Perry, Reporter; Donna Sturgill, Historian; Terry Carroll, Treasurer; Joi Frazier, Parliamentarian. **Not Pictured:** Catherine Donaldson, Secretary.

The D.E. Club had a very successful and active year this year. The club consisted of 54 members and the purpose is to "develop future leaders in marketing and distribution." DECA is people who are starting to make other people's lives as well as their own, a little better. Conferences, workshops, elections, meeting people, and working together are just a few examples of the opportunity to learn in DECA. Even when DECA members are working, they are learning because they like what they are doing and they are doing what they like. After electing and installing officers for the 1977-78 school year for the club, the members attended the fall rally at the Dryden High School. Later in the school year, the club participated in the Regional Leadership Conference held at the Bristol Mall. Members of the club won first places in the D.E. student of the year, Sales Demonstration, Food Merchandising, Product Service and Technology, Display. Debbie Perry, Jackie Lawson, and Steve Messer attended the State Leadership Conference held in Roanoke, where Debbie came in fourth as D.E. Student of the year for Virginia. Five students won awards on the state level in the competency based events. The Club would like to thank all merchants in the area who support DE because without these merchants the DE Program would not be possible.

OFFICERS: **Seated:** Debbie Perry, President. **Standing:** Charles Lambert, Reporter; Teresa Wells, Secretary; John Ray, Vice-President.

FHA

The Future Homemakers of America is a State and National Organization of girls and boys studying home economics. Consumer and Homemaking students are members of Future Homemaker Chapters. Local chapters are affiliated with both State and National Organizations. These organizations are educational in nature and are an essential part of instruction in home economics education. The colors of FHA are red and white. They are symbolic of youth — youth which has courage and determination to succeed, yet has innonence and purity. It is also symbolic of home life, the success of which is of the utmost importance. The motto of FHA is "Toward New Horizons." It expresses the purpose of the organization — learning to live better today in order that our families and our lives may be better tomorrow. The red rose is the flower of the Future Homemakers of America. A red rose is symbolic of vibrant, glowing health which contributes to happiness and efficiency in home and group life. The goal of FHA members is to help individuals improve personal, family, and community living; to contribute to employability; and to develop leadership ability. The Powell Valley Chapter strives hard in its annual program of work to have projects during the year which will help them meet these goals.

Key Club

The Key Club had a very successful year this year. We had many hours of work as well as fun. We helped the Kiwanis Club with the annual delivery of the Christmas Baskets. We parked cars for community concerts and, in below zero weather, for the basketball games. Mr. Lester often called on us to help him in many different ways and the Club was always willing. Our Club this year was composed of 18 active members. We had a very successful Disco Dance with Mike Beverly playing the music. At the district convention, Mike Mercer was elected Lt. Governor of the Kentucky-Tennessee District. We, the Key Clubbers of the 1977-78, would like to express our sincere gratitude to Coach James Bolling for his time and effort in helping our club to be one of the most active clubs at Powell Valley.

1977-78 Viking Band

The Powell Valley Viking Band has developed into one of the finest bands in the state of Virginia. Through tears of frustration and joy, sore feet, hours and hours of marching, music rehearsals at night, and an enormous amount of fun, love, and laughter, the band has accomplished its main goal.

We began in August with band camp at Virginia Tech in Blacksburg, VA where we practiced long hours to perfect the art of marching and playing.

Our first competition was the Chilhowie Apple Festival held in Chilhowie, VA. The band and the band fronts were rated as a whole and received a superior rating. Next, we attended the Southeastern Band Festival which was held in the Mini-Dome on the campus of ETSU. The band received an excellent rating. We then entered the Gate City Band Festival and competed in the triple A class. The band received a superior rating, a second place parade, second place drum major, third place specialty corps, and third place majorettes. With a week to work on a new show, we attended the Lonesome Pine Band Festival held in Wise, VA. The band received a superior rating, first place parade, drum major first place, majorettes second place, and specialty corps second place. Last but not least, the band attended the Blue and Gold Marching Championship held in Moorehead, KY. Only 14 bands out of the whole southeastern United States were fortunate enough to attend. The competition was tough and the band received eighth place.

Football and fall were pushed aside by Christmas and basketball. The band attended 3 Christmas parades and presented a Christmas Concert. The Pep Band played at home basketball games and pep rallies.

March music, football shows, pep rallies, music, Christmas music — all necessary and vital, do not tell the whole story of the band. Concert music, concert competitions, and serious study of music techniques are really the heart of the band program.

Our Spring Concert was a salute to space science-fiction. It was presented to the public on May 18.

This year several band members participated in the All-County and All-Regional bands.

Our successful year came to an end as we played "Pomp and Circumstance" and "Ceremonial Recessional." Our five graduating Seniors gave their final performance on June 10, at the Commencement Exercises.

The members of the Viking Band wish to express their sincere appreciation to Mr. Collins, Ms. Reid, and Ms. Karen Marrs for their dedication and patience with us throughout the year.

Sometimes a special moment can occur in our lives that makes us pause and realize that the road of life does end and that we will eventually reach a final destination. J. C. Parsons was more than just a passing face on this road, a voice to be forgotten. He was our friend and his loss will be greatly felt in the student life of Powell Valley, for J. C. gave us the most precious of all gifts that friends can give — many warm and beautiful memories.

"The Closer I Get To You"

The prom is an event in high school that touches each of us differently, leaving the soft impression of a memory, sometimes happy, sometimes bittersweet. Memories of a dance with someone very special, of the grand march, of the crowning of the King and Queen, and of what happened after the Prom will remain some of the deepest and most cherished of high school days.

COURT: Sharon Watkins; Runner-Up, Priscilla Kiser: Queen; Lisa Brown, Junior Class President; Lonnie Carroll: King; Mike Mullins, Runner-Up.

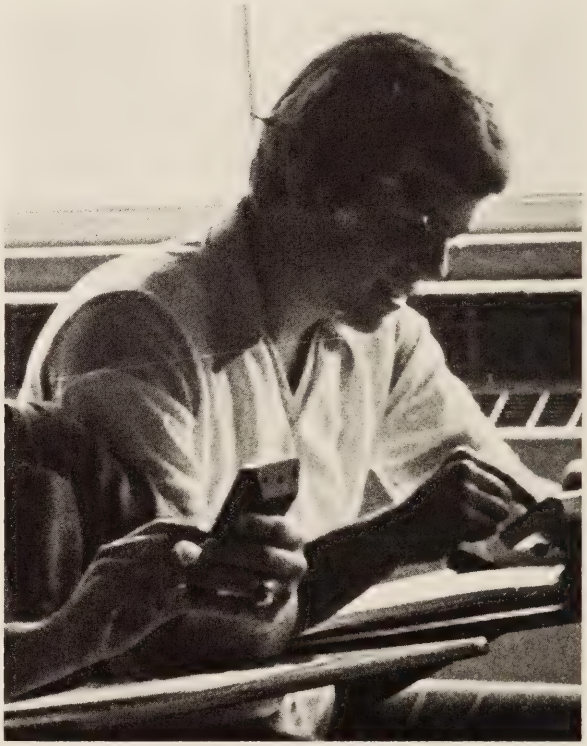
Student Life

Powell Valley's Super Athletes?

I thought we had band rehearsal today.

Karen, you're supposed to look nonchalant like Teresa.



Eddie into some diligent study.

Who's eating what?

Exactly what are you doing?

Steve hard at work.

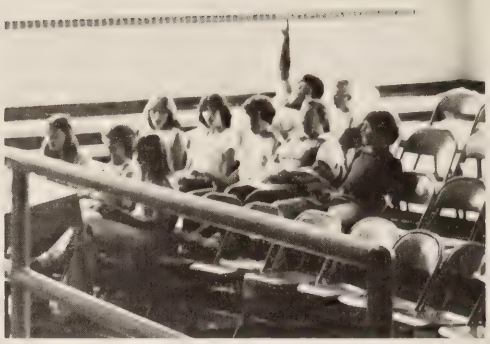
You can tell Chip had a hard time finding a seat.

Cindy you look guilty.

You mean there really are spacemen?

Brad, don't you have any friends?

"Stargard" dances to "which way is up?"

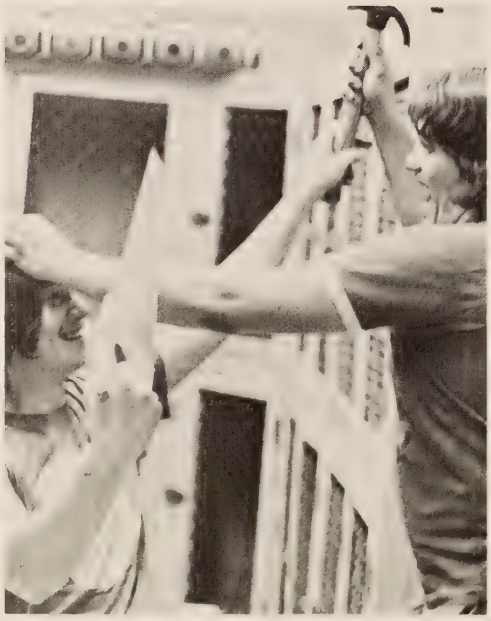


Junior chorus practices

Just a little love to get you through the day.

Deane, we can't help it if you can't draw!

The New Mr. Collins.



Juniors worked hard on the prom.

Belinda paying attention?

The Boy's track team does it again.

Supporting the team!

Tim, why don't you have any books?

Mike blows his horn.

The team got in a huddle.

Dr. Bud and his friends.

Boy am I cute!!!

Debbie portrays (?) a kleptomaniac.

Tammy is sure holding on!

Lonnie, I mean Ronnie, is a movie producer.

Locker clean-up.

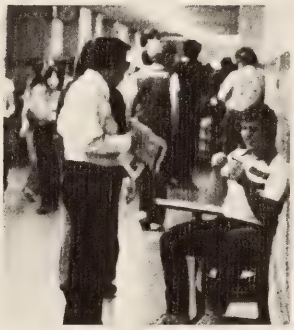
Aw Pat come on. They just want to take your picture.

Chip that's against the rules.

Jamie, why are you eating with your nose?

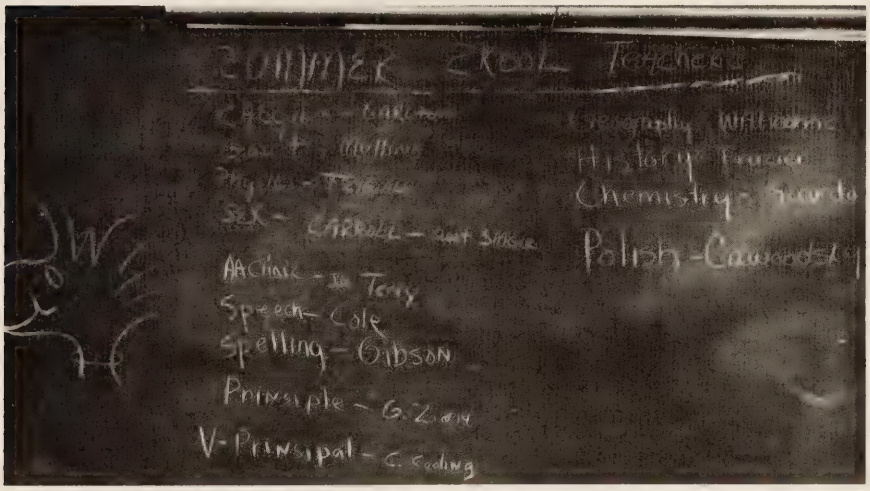
Mr. Lester explains things.

What are you doing Lisa?



Eddie sells another annual!

Wilma is being nosy!



Now that's a school set-up! Thanks to BZ's Physics class.

What's that Pam?

Joe, Catherine, and Joi at Kiddie Kollege.

It's almost over for the Seniors.

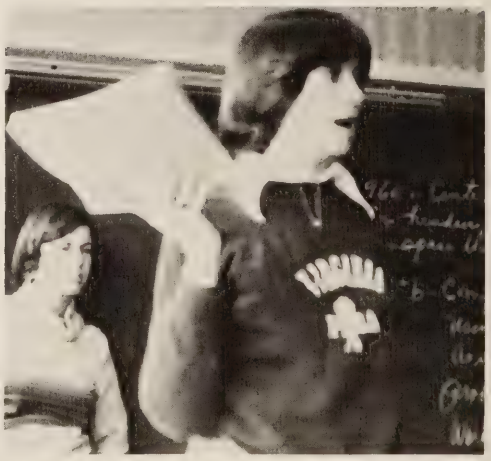
For once Randy is safe driving a car!

Terry in some very unusual clothes!

Beth to march in USA Marching Band.

Viking Girls won the District.

Chip is studying?!?



Okay Debbie!

Your friends say they'll keep in touch,
But you know they won't.
Your teachers say come back and see them,
But you know you won't.
Maybe someday it won't matter,
But right now it hurts a little.

This has been a book tracing a trail of the 77-78 school year. As this book closes so does the year for the students. For some it is just the close of another year, but for others it brings to a close their high school days. The Seniors of 1978 have now reached the place where the trail of life divides into the many branches that will form their futures. The destination of each branch is a mystery. Each student will follow his own trail. For some the trail will end in happiness and for some the end will be sad. We, the editors of the 78 VALHALLA, would like to wish each of the Seniors, the underclassmen, the teachers, and the staff of Powell Valley the best of luck for the future. We hope that each of the trails you follow in life ends in happiness and success.
